Tuesday 22 August
10.30am to 4pm

Join us on this open day for Old Blues and friends and enjoy a leisurely day where you will have open access to Christ's Hospital's fabulous grounds and the opportunity to learn more about the history and heritage of the school from 1552 to present day!

Chapel, Dining Hall, Big School and the Museum will be open to visit * Have a picnic on Big Side * Bring bikes and scooters for a summer's ride around the Mile * Play a game of croquet or giant snakes and ladders * Well behaved dogs are welcome * Food and drink will be available to purchase on the day from our snack van.

Over the last 12 months Christ's Hospital's museum has been undergoing extensive refurbishment. Now, with a bright contemporary gallery space, the museum is displaying a host of new exhibits including original CH wax seals of Henry VIII and Elizabeth I, a doll salvaged from the London school after

the Great Fire of 1666 and uniquely minted Housey money. The Museum will be open throughout the day for you to visit, with our team of curators and knowledgeable Old Blue volunteers on hand to answer all your questions about Christ's Hospital and its history.

Bookable Guided Site Walking Tour with Refreshments.

If you would like to learn more about the history of Christ's Hospital, our buildings, paintings and sculptures you can join one of our Museum Curators on a guided site walking tour.

Places for the walking tour are limited and must be booked in advance. It will last approximately one hour, covering a distance of around one mile and will finish at the Court Room with tea, coffee and cake.

Booking for this open day and the guided walking tour will become available soon, please look out for further details in upcoming newsletters and on social media!

Please note: This is an open day available to Old Blues to enjoy an unescorted visit of the CH grounds and the aforementioned buildings only. This date is outside of school term time, there will be no band parade and the day has no structured programme or activities.

We hope it gives those of you who wish to come to the School for a leisurely unescorted visit of the site, or to show your family and friends Christ's Hospital, the opportunity to do so.
