

OLD BLUES DAY 2023

CHRIST'S HOSPITAL MUSEUM

20th May 2023 10am - 4pm

Discover Christ's Hospital's past at our newly refurbished museum!

With 470 years of history reflected in over 100,000 artefacts and varied displays, where better than at the Museum to discover your own recent CH history, as well as further back in time?

Where else can you see an original manuscript signed by Samuel Pepys, and one of Samuel Taylor Coleridge's poems, as well as Barnes Wallis' piece of fuselage from a Wellington Bomber?

Reminisce about the CH Horsham and Hertford era through scrapbooks, photographs, copies of the Blue, house lists and original film footage of St. Matthew's Day marching pupils dating back to 1928. Enjoy our exhibition 'Brangwyn's Cartoons at Christ's Hospital', about the story of the murals in Chapel and the designer craftsman who created them, along with seven conserved sketches. Watch the revived CH Model Railway Club trains in action!

Have you got what it takes to pass an exam paper from 1940 sitting at an original desk?

Visit our Museum Shop, selling unique CH souvenir memorabilia such as Housey magnets, new publications, postcards and CH novelties!
